

TexPrint[®]XP

Extreme Performance

TexPrint[®]XP is the original paper that does it all. Excellent for hard surfaces and metal transfers, TexPrint[®]XP's high-quality consistency and stiffness work together to minimize cockling. XP takes extreme ink-loads while maintaining high definition and color fidelity.

FEATURES AND BENEFITS:

Largest selection of weights, widths and roll lengths

Get exactly the right size for your print environment with less waste, fewer roll changes and more up-time.

Quick-Dry

TexPrint[®]XP dries fast, eliminating smudges and handling issues.

Recyclable

Every ingredient in TexPrint[®]XP is fully recyclable.

Versatile

Preferred by professional photographers and exhibit builders, TexPrint[®]XP works well on both hard and soft substrates.

High color yield

XP leaves the highest color density on your fabric with less ink on your print sheet.
